

# **Dean Trust Ardwick Prom 2022**

1. The Dean Trust Ardwick Prom will be held at The Midland Hotel, Manchester on Friday 24<sup>th</sup> June 2022.
2. We are really excited about being the first year group to host a Prom. The previous two year groups were unable to have this celebration due to Covid restrictions.
3. We really want event to be as inclusive and welcoming as possible, it should be a celebration of our time together with as many pupils and staff attending as possible. Many pupils look back at Prom as a highlight of their school days.
4. It's a chance for our pupils to visit a top Manchester hotel, enjoy excellent hospitality in a mature and safe environment. Therefore want the event to be flexible, accommodating and cater for as many people as possible.
5. We have chosen a venue in central Manchester to make transport as easy as possible. This was the venue nominated by the pupils and has a special, celebratory feel.
6. There are many conditions that the venue has stipulated as conditions of hire.
7. There is no alcohol for sale at all. Even people over the age of 18 attending will not be able to purchase alcohol. We as a school fully support this decision by the venue.
8. No alcohol can be brought into the venue. If any people attending bring bags, the venue may search these for alcohol.
9. The room has been booked from 6pm to 11pm. The room is a large area able to accommodate all people who want to attend.
10. The main event is a full dinner, which will be served at the tables. We are able to provide dietary requirements for all guests which the hotel and caterers will observe.
11. There will also be a few short speeches and awards to be given.
12. There will also be a DJ, music (no explicit lyrics) and also fun activities such as a photo booth etc.
13. Pupils are playing a key role in the planning of the event so we can cater for as many ideas and dreams that they have.
14. Staff will be present throughout. Only DTA staff and approved people will be able to access the venue. The public will not be admitted.
15. The venue will provide security staff to make sure everyone is safe and looked after.
16. The pupils can wear the clothes they feel comfortable in. Normally pupils choose their own dresses and suits, and we will accommodate any clothes that people choose to wear.
17. The cost is £30 if purchased before 13<sup>th</sup> May 2022 and £35 thereafter. This is already being subsidised by the school. The cost a room hire, hire of DJ and other facilities. The cost of a dinner in central Manchester is comparable.
18. Once we are aware of numbers of pupils wishing to attend, we will look to arrange transport.
