

DTA - School Closure

Good Morning ,

Hope you are all well,

We have created a presentation which includes a pre-recorded video on the next slide. The presentation will explain the plans the school has put in place in order to ensure your learning continues. As soon as you click on the next slide the video will begin, it is really important that you listen the video and the slides that follow.

DTA Fire Response

Unfortunately, on Thursday there was a fire reported in the school building after hours and the school was evacuated. The fire was contained in one classroom and has been put out by the emergency services.

As you are aware we sent letters to all parents/carers regarding that pupils should not attend on Monday.

2. Will school set work for me to complete this week? Where will I find my work?
3. What happens if I normally receive free school meals from school?
4. What should I do if I need to report something urgently to school?
5. Are there other organisations that can help if I want to report something urgently?

The ability...

- ...to work hard.
- ...to say no.
- ...to practice good habits.
- ...to train and prepare.
- ...to ignore temptations.
- ...to keep your emotions in check.
- ...to endure painful difficulties.

We know that while it might seem easy and more pleasurable to take easy and indulge our pleasure centres, in the long run, it is far more painful a route.

1. Registration

We have created a Google Form register for your parents/carers. It is really important that parents/carers complete this form to confirm your ability to access remote learning. If you have brother or a sister at our school as well, your parents/carers will need to fill out a separate form for each child.

The screenshot shows a Google Form with three main sections. The first section is titled 'Full name of child: *' and has a text input field with the placeholder 'Your answer'. The second section is titled 'Year group and form e.g. 9 Gaskell *' and also has a text input field with the placeholder 'Your answer'. The third section is titled 'I can confirm that I have access to Google Classroom and the work set: *' and contains two radio button options: 'Yes' and 'No'. At the bottom of the form, there is a blue 'Submit' button on the left and a 'Clear form' link on the right.

2. Google Classroom

We will use Google Classroom to set up home learning so that you can complete work remotely. Pupils can login using their school email address and school password to login on to Google Classroom.

2. Google Classroom

How to log in to Google Classroom?

1. Go to <https://classroom.google.com> and click on the “go to classroom” button. You can do this from any computer or mobile device.
2. Now you have arrived at Google Classroom, to sign in, you must enter your school login credentials. This is your school email address and network password.

4. What should I do if I need to report something urgently to school?

1. Go to the Dean Trust Ardwick website and scroll down. Underneath the 'Our Schools' section you will find the SHARP logo.
2. The SHARP system logo will bring you to this page, where you can make a report at the top.
