

Year 11 Guidelines during school closure.

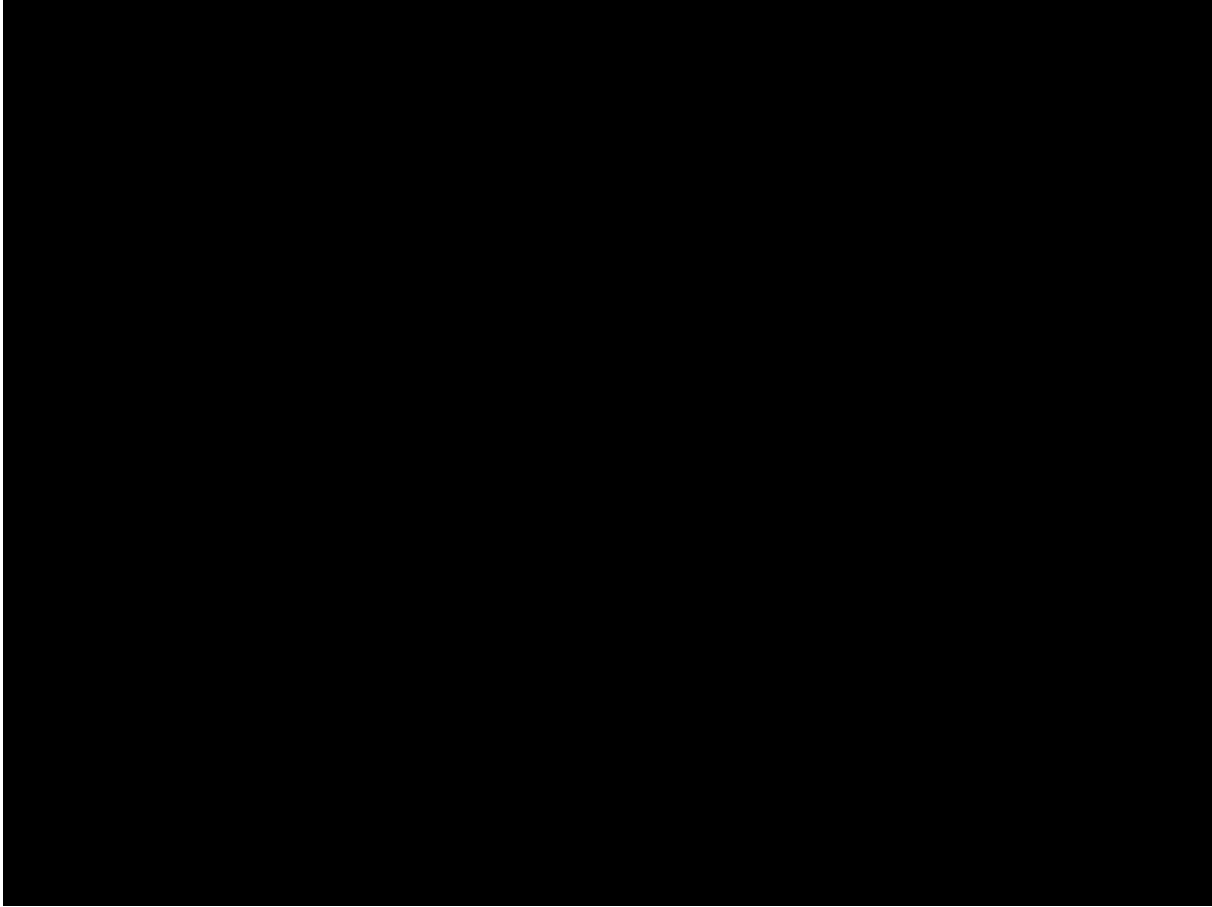

Miss Halfacre

Good Morning ,

Hope you are all well,

We have created a presentation which includes a pre-recorded video on the next slide. The presentation will explain the plans the school has put in place in order to ensure your learning continues. As soon as you click on the next slide the video will begin, it is really important that you listen the video and the slides that follow.

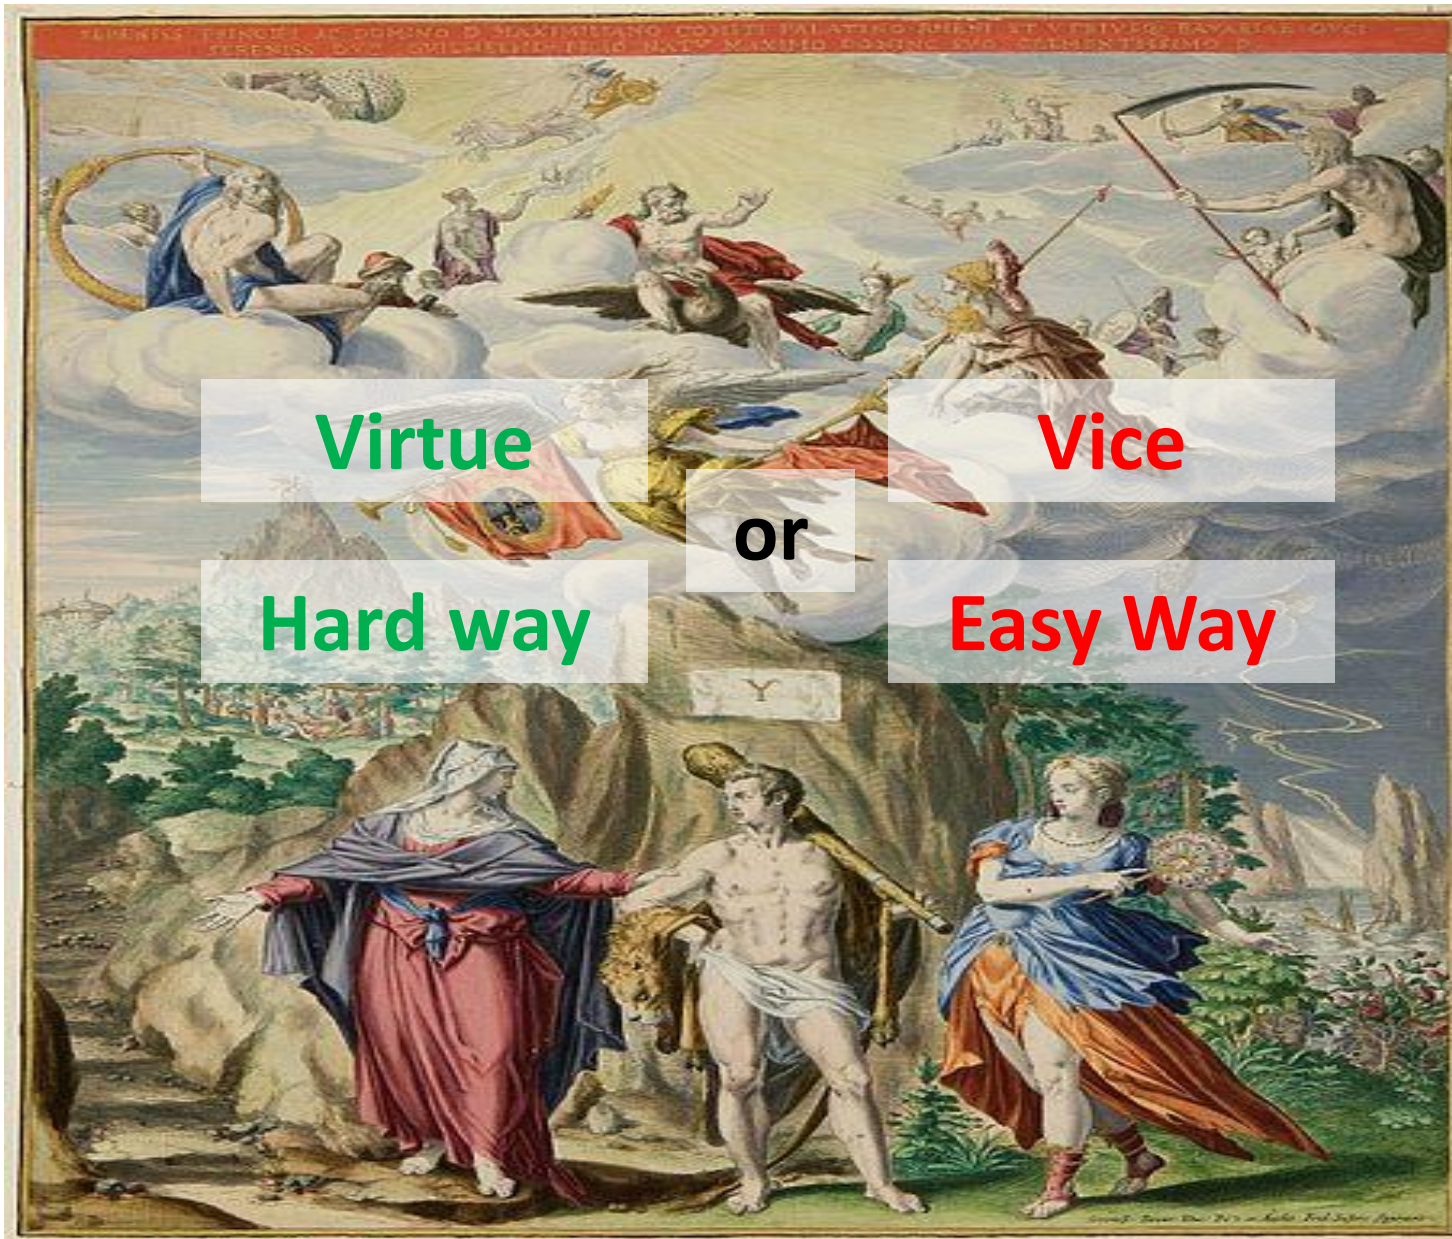

If the video does not play automatically click on the the following [link](#) to access the video.

- Unfortunately, school is temporarily closed to all students.
- It is our absolute priority to work to get the school open ASAP for all students but especially Year 11.
- Year 11 will therefore be first to return.
- Year 11 still have mock exams starting in **3 weeks** time.

Hard way

Easy Way

The ability...

- ...to work hard.
- ...to say no.
- ...to practice good habits.
- ...to train and prepare.
- ...to ignore temptations.
- ...to keep your emotions in check.
- ...to endure painful difficulties.

DEAN TRUST *Ardwick*

Easy Way

- If you choose to talk instead of listen you will learn less.
- If you choose to talk instead of write you will miss out on practice.
- If you choose to talk instead of read you will read less than your peers.

Hard Way

- Consistently being 'ready to listen' will result in you being more attentive to explanations and learning more.
- Always being 'ready to learn' increases your lesson time, thus maximising your learning.
- Being 'ready to work' will lead to you practising more therefore improving your performance and learning.

While the school remains temporarily closed, All Year 11 must be doing the following:

- Logging on to Google Classroom each morning before 9.10 am. Check for all notifications.
- Check what work has been set and if you have any live lessons that day. It will look like this...
