

DEAN TRUST Ardwick

Chief Executive: Mr Tarun Kapur CBE

Head of School: Mr Steven Worthington BA (Hons) MSc NPQH

Dear Parents/Carers,

Firstly, we want to express our gratitude for supporting today's remote learning. The positive response from pupils has been remarkable, allowing us to minimise the impact of the temporary closure of the school. We kindly request parents and carers who haven't already done so to complete the Google Form register.

We are still unable to provide a confirmed date for the school's reopening. We understand the importance of having clarity in this matter and assure you that we are closely monitoring the situation. Your child will continue remote learning at the beginning of each day via Google Classroom.

To stay connected, please be reminded that the My Child At School App and the dedicated section of the school website continues to be a primary source of information.

We acknowledge the challenges of communication while the school is closed, and we want to extend our support. Although we cannot offer assistance within the school premises, we have secured a temporary space at 422 Manchester, located just up Stockport Road.

For the remainder of this week, our school staff will be holding a 'DTA Community Drop-In' between the hours of 11am and 3pm. This provides an opportunity for both parents and pupils to drop in, ask questions, and seek support. We encourage anyone with concerns or inquiries to take advantage of this opportunity.

Your understanding and cooperation are invaluable during these unprecedented times. Together, we will continue to navigate these challenges and ensure the best possible educational experience for our pupils.

Thank you for your continued support.

Warm regards,

Mr S. Worthington
Head of School
